

Spring Cow Dispersal

Wed., Sept. 18, 2019
1:00 pm CDT at the Ranch
Farwell, Minn.

90 Spring Calving Cows
45 Polled Herefords • 45 Salers

Dispersing the Entire McIver Herd of
Spring Calving Mature Cows
over 3 Years Old

- This will be a rare opportunity to buy genetics from a leading Hereford and Salers Family.
- The lots will sell by video auction, however the cows and their weaned spring calves (to be retained by McIver) will be on display.
- Join us Sept. 18th at the ranch to bid in person, or log onto The Livestock Link to bid online.

Pick of the Heifer Calves
Your Picks of one Salers heifer and one Polled Hereford heifer from the Spring 2019 Calf Crop. We will retain the rest of the calves.
